## B.Sc. Nursing PROSPECTUS - 2017

GITAM INSTITUTE OF  
NURSING

*A University Committed to Excellence*

**GITAM University:**

Gandhi Institute of Technology and Management, also known as GITAM is a University excelling in higher education having a track record of 37 years in teaching and research of global standards. The University with its main campus at Visakhapatnam has two more campuses one in Hyderabad and another at Bengaluru.

GITAM today ranks among the top universities in the country in terms of academic and research output. With a multi-disciplinary approach, the University is currently offering 128 programmes at under-graduate, post-graduate and doctoral levels in diverse disciplines such as Technology, Architecture, Pharmacy, Science, Medicine, Nursing, Management, International Business, Gandian Studies, Law and Humanities. GITAM University is a preferred choice of the students from almost all the States in the country for pursuing quality education. GITAM has been ranked as 'A' category University by the Ministry of Human Resource Development (MHRD), Government of India. The University is accredited by the National Assessment and Accreditation Council (NAAC) with 'A+' grade and with 12(B) status by the University Grants Commission (UGC) facilitating high impact research. The University has outstanding faculty and state-of-the-art infrastructure with excellent student support facilities. The learner-centered teaching methodology with the most dynamic curriculum prepares GITAM graduates to successfully meet challenges and build bright careers across the globe.

The University with over 17,500 fulltime students, about 1000 research scholars and 45,000 distance learners, is one of the largest deemed universities in the country. The University has about 1100 well qualified and committed faculty of high academic profile with research and industrial background. They are continuously engaged in major research projects in various thrust areas with the financial assistance from government agencies and industry. Memorandum of Understandings (MoUs) are inked for collaborative work in multidisciplinary areas with premier research organizations and international universities of repute.

With World-Class facilities, GITAM places as much emphasis on Physical Education as it does on academic excellence. The well-equipped Gymnasium caters to the physical well-being of students and staff, apart from the keen sports persons. The Indoor Stadium, spacious open grounds, synthetic and clay floodlit tennis courts of International standards have been the venue for many important events. The university's commitment for improving the extra curricular skills and competitiveness among students is producing many champions and winning an enviable series of championships.

It is a matter of great pride that the alumni of the University occupy prominent positions in prestigious institutions and organizations all over the world and some of our alumni are highly successful entrepreneurs.

### **GIMSR Multi-speciality Hospital:**

The University, as part of its social responsibility, has established a state-of-the-art multi specialty hospital to provide quality health care facilities to the people at affordable cost. The hospital is designed for a patient friendly ambience to accommodate 850 beds with 20 operation theatres and over 100 ICU beds. In a short span of time, the medical facilities are extensively being used by the public. The Hospital is within the reach of both the urban and rural population and known for its patient care. It is well connected with public transport facility. Presently, the following specialties like Medicine, Surgery, Obstetrics, Gynaecology, Orthopedics, Ophthalmology, Pediatrics, Dermatology, ENT, Radiology, Anesthesia, Psychiatry, Pulmonology, Physiotherapy are offered. The out-patient departments are run by qualified specialists. The emergency medicine and trauma departments are working round the clock. It is adequately equipped to deal with all emergencies. The Intensive care unit is well equipped with monitors, ventilators and other supportive systems. The well established central clinical laboratories of Pathology, Microbiology and Biochemistry are available. 24 X 7 Blood bank services are available to support emergency conditions.

### **GITAM School of Nursing (GSN):**

The School of Nursing is located in the main campus at GITAM University, Visakhapatnam. The school of Nursing, one of the constituent institutions of GITAM has been established to provide quality education in nursing to meet the ever growing need for qualified nurses in the country. The B.Sc. Nursing program is being offered by GSN with permission from the Indian Nursing Council, UGC, MHRD, Govt. of India & Andhra Pradesh Nurses Midwives, Auxiliary Nurse Midwives and Health Visitors Council, Govt. of Andhra Pradesh from the academic year 2016-17. The school is offering nursing program through need based curriculum and continuous assessment. The school is endowed with various state-of-the-art nursing laboratories and is equipped with digital library, e-class rooms, air-conditioned auditorium and Wi-fi facility. The school provides clinical learning to the students at GITAM Multi-Specialty Hospital. The students will be exposed to community field experiences at primary health centers in urban and rural areas which facilitate enriched comprehensive health care services to the community. The school provides dynamic nursing education, for today and tomorrow, both for individuals and to the global community at large. Modern hostel accommodation, with excellent facilities, is available.
